Hiring Manager
ABC Tech Solutions
456 Business Road, City, Country

Dear Hiring Manager,

I am excited to apply for the Software Developer position at ABC Tech Solutions. With over three years of experience in full-stack development and a strong passion for building scalable web applications, I am eager to contribute my skills to your team.

In my previous role at XYZ Innovations, I developed and optimized applications using React.js and Laravel, improving performance and user experience. I am proficient in front-end and back-end technologies, including JavaScript, PHP, and MySQL. I take pride in my ability to collaborate with teams and solve complex coding challenges efficiently.

I would welcome the opportunity to discuss how my experience aligns with your team's needs. Thank you for your time and consideration. I look forward to your response.

Sincerely,
John Doe
